INSTRUMENTAL MUSIC RECRUITMENT 2026

Dear Parents/Guardians,

Your child has been selected for possible placement in Slade Point's Instrumental Music Program.

The selection process considers such things as your child's:

- interest and ability in classroom music lessons
- overall behaviour following the three school expectations
- ability to work individually and as part of a group
- homework habits
- academic abilities
- motivation to learn
- parental support
- organisational and fine-motor skills
- school attendance

There are only a limited number of positions available each year in our program, and each position is considered in high regard.

An informative meeting for all parents/guardians who wish to see their child considered for the school's Instrumental Program in 2026 will be held on **Wednesday 15th October**

This meeting will provide information to parents regarding relevant information of the requirements and commitment needed for your child to be considered for the program.

If you are unable to attend but wish your child to be considered in the program, please notify the school office or Mrs. Henderson via email. Following the information session, Mrs Henderson will call each family to answer any further questions to help the decision making process.
